Re: **CCACs Class Action Suit – Pension Transfer – OMERS to HOOPP**
- Notice of Settlement Approval Hearing

Dear Sisters and Brothers:

As you are aware, CUPE and the Representative Plaintiff have reached a settlement with the Crown in our class action to help those CUPE members whose pensions were moved from OMERS to HOOPP as a result of the transfer of responsibility from municipal and home care service providers to CCACs in or around 1997.

As we notified you, the next step in this process is that the settlement must be approved by the court. A settlement approval hearing has been scheduled for that purpose for June 24, 2016.

As part of the settlement approval process, the notice of settlement approval hearing is being distributed to make sure it comes to the attention of the affected members. To help that along, we have committed to asking the CCACs to allow the notice of settlement approval hearing to be posted in their workplaces.

A copy of the notice of the settlement approval hearing is attached. Please approach the CCACs to have the notice posted.

If you have any questions, please contact Sister Sharon McKenna, Health Care Coordinator.

Linda Thurston-Neeley
